

Information about the enrolment in the PhD in Physics

- Nr. of scholarships reserved to non-Italian candidates: 1 (According to the Italian law, Italian candidates with a non-Italian degree cannot apply for this scholarship)
- Nr. of scholarships associated with specific research projects: 2
These positions are available for both Italian and non-Italian candidates. The two projects are on
 - Astrophysics – PIs: Prof. Luciano Burderi (Luciano.burderi@dsf.unica.it) and Dr. Andrea Sanna (andrea.sanna@dsf.unica.it);
 - Experimental high energy physics – PI: Prof. Gianluca Usai (Gianluca.usai@ca.infn.it).
- Ranking of all foreign candidates will be based on the following criteria:
 - Evaluation of *(i)* CV and *(ii)* any certified qualification (e.g. languages, computer skills, high-formation courses);
 - Evaluation of the reference letters. The reference letters -duly dated and signed- should be provided in English, according to the form which can be downloaded from the following link <https://www.unica.it/unica/page/it/dottoratiricerca> (Istruzioni per l'iscrizione al concorso e modulistica -allegato C), and on the headed form of the belonging institution;
 - Personal interview, addressing the background culture, motivations, and inclinations of the candidate.
- Further instructions are available at the following link:
